THREE DOUBTFUL STATES OURS

And All the Gold of the Monopolists Could Not Save Oblo to the Republicans by More Than 20,000 Flurality.

The verdict which the people of the United States registered against the Republican party in the Congressional elections last year was confirmed in the state elections yesterday. Democrats have every reason to feel proud as they peruse the following election news:

THIS ONE FOL NEW YORK.

NEW YORK, Nov. 3. Flower is elected by a good majority. The

Republicans concede his election M. S. RSCHHEIM. THE NEW YORK ELECTION

New York, Nov. 2.—The election in New state to-day is for governor, Beutenant governor secretary of state, comptroller, treasurer, attorney general, engineer, four Congress-men to fill vacancies caused by three resignamen to fill vacancies caused by three resignations and one death, eight justices o the supreme court, a full senate of thirty-two members and a full assembly of 128 members. The
presen state officers are Democratic. The
Congressime last elected in the districts where
the election was held to day were: Democratis,
3; Republican, 1. The last secunt consisted of
19 Republicans, 13 Democrats. The last assembly of 85 Democrats, 60 Republicans. Now
York city also votes for local judges, coroners
and aldermen: Brooklyn for a mayor and other
city officers. Comparison will be made with
the vote for governor in 1888.

FLOWER ELECTED GOVERNOR

FLOWER ELECTED GOVERNOR.

New York, Nov. 3.—Roswell P. Flower is elected governor of New York to succeed David B. Hill. His plurality is estimated at 18,000 to 20,000. Fassett didn't carry Elmira, his own city. This city gave Flower 18,000 plurality; Hrooklyn, 14,100. Heturns from districts outside of New York and King's counties indicate Fassett has been missing Folger's fate. In Jefferson, Clinion, Essex, Montgomery and Wyoming counties, he is far behind the vote for Miliet. Flower's gains on the decreased vote are ahead of Hill's. The vote in this city is very light. It was expected that out of a registration of 251,387 at least 250,00 would be poiled. Only about 220,00 would be poiled. Only about 220,00 would be offered only about 280,00 to woold be foliated by 19,000. Flower will take to Hartem river 75,000 plurality. It is doubtful if Fassett will bring down 10,000 to meet it. The Democrats are gaining assemblymen in the state. Sheehan is not doing as well as Flower, but his election is assured. At 10 o clock Gove nor Hill sent a telegram claiming the state for Flower by 4,000, purrality. Flower's own estimate of his majority in the state is 25,000.

In New York city Flower up to 2 pm made a poor showing even his later majority of 18,000 was much less than the natural Democratic majority of the metropolis. The falling off bere is attributed to the

resenting the exclusion of their delegates from the Saratoga convention. King's, Richmond and Queen's counties, however, showed gains for the Democrats. Late returns showed remarkable cains from districts controlled by Tammany Hall. The falling off of votes in the counties north of Harlem river, which seems due to the action of the belief and registration is winder which the election is held, seems to indicate the purchase of votes come to a standstill. The Democracy carried both congressional districts, the Tenth and Twelfth. Little of the latter, is elected to succeed Flower and Cockrane is re-elected from the Tenth. Tammany carried all senatorial districts except one. In the assembly Tammany made almost a clean sweep of the city, the Republicans goining one district. ACTION OF THE COUNTY DENOCRACY

TAMBANY CANDIDATES FOR THE JUDICIARY were elected by large majorities. The board of aldermen was swept by Tammany.

PASSETT CARRIES SYNACUSE. SYRACUSE, N. Y., Nov. 2-Returns of the city complete give Flower 8,904; Passett, 9,249 PASSETT'S MAJORITY IN ROCHESTER.

ROCHESTER, Nov. 8.—The Union's returns show, out of the total vote of the city, the majority for Fassett is 1,859.

PLOWER'S NAJORITY IN HIS HOME. WATERTOWN, N. Y., Nov. 3.—Watertown Flower's home, gives Flower 2009. Fasseit 1,386. In 1888 hill had 1,386. Miller 1,792. Cur its, Republican, was elected to Congress from the Twenty-second district.

FLOWER'S PLURALITY OVER FASSETT. NEW YORK, Nov. 3.—At 3 a. m. 1,619 districts outside give Flower 17,688, Fassett 190,699. The name districts in 1888 gave Hill 197,824, Miller Republican gain of 1,618 for Gregg, Republican How the Legislature Stands.

PHILADELPHIA, Nov. 3.—Returns from two tives will stand: Republicans, 65; Democrats, 60; Democrats, 60; Democrats, 12; Senate: Republicans, 19; Democrats, 12; Senate Republicans, 19; Senate Republicans, 19; Senate Republicans, 19; Senate Republicans, 19; Senate Repub

19,651. In case Fassett should have the same plurality his total outside plurality would be 31,975. Flower's plurality in New York city and Kings county being 74,299, his plurality in the state would be about 42,300,

THE VOTE OUTSIDE OF NEW YORK CITY. New YORK, Nov. 3.—One thousand and eighty four outside districts, out of a total of 3303, give Flower 122,34, Fassett, 193,75. The same districts in 1888 gave Hill 133,615; Miller, 165,611. Districts not yet heard from, in 1888, gave Hill 266,461; Miller, 288,881.

HILL GRATIFIED WITH THE RESULT. ALBANY, N. Y., Nov. S.—Governor Hill re-ceived the election returns in the executive chamber. He was greatly gratified at the handsome plurality for the Democratic state ticket. He thought it meant a Democratic victory in the nation in 1892.

In Massachusetts.

Nov. 3.-On account of the law re quiring votes to be counted by two different officials, returns are coming in slowly. Re-turns from fifty country towns show a net Re-publican gain of 705. On this basis the Repubpublican gain of 783. On this basis the Republican gain in the state will be 4,949 at least. Last year Governor Russell's pluralities in the state were 9,058. The indications so far from the large cities are, he has held his pluralities of last year and is elected by at least 4,000. The basines of the Republican state ticket is undoubtedly elected. It is impossible to give an idea of the complexion of the legislature.

RUSSELL'S PLUBALITY IN BOSTON. Boston, Nov. 3.—One hundred and eighty-one precincts of 207 in the city give Russell 30,756, Alen 18,814 Russell's plurality is 1981. One hundred and thirty-two towns and cities of Lawrenceville and New Bedford give Allen 32,164, Russell 27,167, a Republican gain of 975.

RUSSELL'S ELECTION CONCEDED. BOSTON, Nov. 3.—Governor Russell, Demo-rat, estimates his majority at 5,000. Corcoran, emocrat, for lieutenant governor, is confident this own election. The Jopinad and Advertiser, both Republican, concede Russell's election.

WATERLOO, In., Nov. 3.—This city, Boles' home, gives Wheeler 1,151, Boles 887. The same precinct in 1889 gave Hutchinson 830, Boles 782. BOTH PARTIES CLAIM THE GOVERNOR.

DES MOINES, Nov. 3.—Both committees claim the election of the governor. The chairman of the mational Republican committees said: "A careful estimate puts Wheeler's plurality at 2,50 to 3,000." Chairman Fuller, Democra said: "We claim the state by the same unality as two years are 5,500."

Reports at Democratic headquarters indicate

Nearly all the cities give Democratic gains or hold their own. Some interior counties show Republican gains, but it is conceded they cannot overcome issies' majority of two years ago, 6,700.

ERRORS IN VOTING. CINCINNATI, Oct. 3.-Reports are coming in t Australian ballot, They are not very numer-Australian ballot. They are not very numerous, however. Some consist in marking the head candidate on the ticket only. Such votes count for governor only, when the evident in tention was to vote the whole ticket. Other errors are by marking after instead of before the name of the candidate. Private dispatches from Hamilton. Campbell's home, says his individual tickets are numerous there.

OUTSIDE OF CINCINNATI. CINCINSATI, Nov. 3.—Four hundred and ninety three precincts in Ohio outside of Cincinnat give McKinley 72,400; Caupbell, 61,617; Ashen-hurst, 3,85; Zeits, 1753, a bet Republicas gain of 2,471. This is about one-fifth of the state. CLAIMS FOR M'KINLEY.

Another Enquirer correspondent from the same city telegraphs that Governor Campbell concedes McKinley's election by 15,000 to 2,000. REPUBLICANS CLAIM HAMILTON COUNTY.

CUMBERLAND COUNTY DEMOCRATIC.

PHILADELPHIA, Nov. 3.—The Democratic hairman estimates Cumberland county 1,250 a.m. bemocratic majority. It was 552 in 1889. THE FUSION TICKET WINS IN PITTSBURG. PITTSBURG, Nov. 3—The election here has chiefly turned on the choice of county officers. The general ticket was neglected. A peculiarity of the contest is Democrate and Republicans united against the straight outs. The Republican and Democratic fusion county ticket has 12,000 to 15,000 pinrality. The piurality for the Republican state ticket is estimated at 2,000. GREGG'S PLUBALITY.

PHILADELPHIA, Nov. 3.—Philadelphia, with ne ward to hear from, gives Gregg, Republican, for auditor general, 28, 189 plurality. Morrison, Republican, for state treasurer, runs about even with Grogg. Gregg has 52,873 plurality, which will be materially increased. McCreery, for city treasurer, with a missing ward to hear from, has 30,00 majority.

GREGG'S MAJORITY OVER WRIGHT, PHILADELPHIA, Nov. 3.—The campaign just PHILAURIPHIA, Nov. 3.—The campaign just closed was one of the most spirited ever fought in this city. It chiefly turned on the ma feasance and unbezziement of ex-city Treasurer Bardsiey, the Democrats urging the Kepublicans cuswithy of confidence on that ground, the Republicans claiming their skirts were clear by bringing Bardsley to justice. A heavy vote as polled. There was fulle attempt at illeral words. The city complete gives Gregg, Republican, for auditor-general, 12,131 Wright, Democrat, 73,623, a Republican majority of 28,500.

AN ORDERLY ELECTION IN CINCINNATA AN ORDERLY RIBOTION IN CINCINNATI.

CINCINNATI, Now 3.—The election to-day was one of the most orderly, business-like and satisfactory ever held in Cincinnati since the good old times when everybody knew everybody else and all were honest. The new Australian election haw was tried for the first time. It appears to give a perfect registry and declaration of the people's will. In Cincinnati the poils closed at 4 p. m.; in other parts of the state at 6 o'clock, From all points a full vote is reported.

TOPEKA, Nov. 3.—Nine district judges were voted for in Kansis and county officers in eighteen counties. It will be difficult, even after returns are in, unless the victory is sweeping, to tell whether the People's party has gained or lost during the year. Rain has failen all over the state. The vote is very light everywhere. The sub-Alliance failed to vote in blocks as last year, when they swept the state.

THE ALLIANCE LOST.

KANSAS CITY, Nov. 3.—Dispatches from various counties show the Alliance dign't hold its own. Only forty-seven counties of 166 in the state have been heard from, and in only two o s, ate have been heard from, and in only two of them have the Alliance made a clean sweep. In the country the Republicans appeared to have regained their foot hold, while in the cities the Alliance made slight gains. In the judicial dis-tricts the returns indicate the Alliance defeat. The Republicans and Democrats comb-against the Alliance candi ates for judges.

The Republicans Sweep Cook County. Chicago, Nov. 3.—With the exception of two andidates complete returns show the Republi-ans made a clean sweep to-day in the city and county. The two exceptions see, L. M. Cooley, Democratic candidate for drainage trustee, and Democratic candidate for drainage trustee, and Babeock. Democratic candidate for county superintendent of schools. For the first time in minary years the Republicans secure absolute control of the county board, not a single Democratic candidate pulling through. The Republican majorities range from 3,000 to 10,000 against 86 at the last county election.

NEW YORK, Nov. 3.-The Sun says: . We attribute the astonishing Democratic demonstra-tion in the northern, central and western countes not less to the personal popu-larity of Flower, and the general confidence in his stering character than to the melancholy exhibition of moral and in-telectual ina equacy which constituted Fas-sett's plan of campaign. But the towering fact of the contest is that New York carries the banner of Democracy. Possibly the Demo-cratic wave has extended to Ohio.

THE TRIBUNE IS FUNNY. The peculiar circumstances in this state and Massachusetts made local issues predominant and it will not be in the end hopeful to the Democratic party that it has gained success resterday. With the worst end foremost and triumphant in New York the Democratic party is not in fact as strong nor has it as good reason to hope for success hereafter as if it had been purged and purified by defeat. With the general result Republicans have no reason to be disheartened. They rejoice in some splendid victories already acmeved, and point to them as proof that another year of similar progress and achievement will give them national triumph.

The Democrats having no state ticket is another cause or the light voting, many of that partly refusing to vote. A large part of the shrinkage comes from the farmers' alliance, which has lost much of its strength through a failure to keep up its organization and to farmers being busy and prosperous. At 9 p. m. not a single precinct in the city or state had completed its count.
